QUARTZ & GLASS

19 TERRA
NATURAL STONE LOOK

20 NOIR
LUXURY STATEMENT

DESIGNED FOR LIVING. CREATED FOR LIFE.

01 AURORA

FULL QUARTZ VANITY

Premium quartz body and top; integrated basin; soft-close storage; warm concealed LED.

MATERIALS & BUILD

Premium engineered surfaces / quartz finishes
Soft-close storage systems where applicable
Warm concealed lighting and refined metal fittings

DESIGNED FOR LIVING. CREATED FOR LIFE.

02 VISTA

QUARTZ & WOOD

Quartz stone top; natural oak-color cabinetry; external vessel basin; soft-close drawers.

MATERIALS & BUILD

Premium engineered surfaces / quartz finishes
Soft-close storage systems where applicable
Warm concealed lighting and refined metal fittings

03 MONOLITH

FULL QUARTZ VANITY

Dark stone-look quartz monolithic body; integrated basin; concealed storage; warm LED.

MATERIALS & BUILD

Premium engineered surfaces / quartz finishes
Soft-close storage systems where applicable
Warm concealed lighting and refined metal fittings

DESIGNED FOR LIVING. CREATED FOR LIFE.

04 SERENITY

QUARTZ & OPEN SHELF

Light quartz top and body; open lower shelf; vessel basin; concealed warm lighting.

MATERIALS & BUILD

Premium engineered surfaces / quartz finishes
Soft-close storage systems where applicable
Warm concealed lighting and refined metal fittings

05 NOVA

DOUBLE BASIN

Travertine-look quartz; integrated double basin; generous storage; wall-mounted fittings.

MATERIALS & BUILD

Premium engineered surfaces / quartz finishes
Soft-close storage systems where applicable
Warm concealed lighting and refined metal fittings

06 LUNA

CURVED DESIGN

Curved quartz body; seamless integrated basin; rounded corners; concealed drawers.

MATERIALS & BUILD

Premium engineered surfaces / quartz finishes
Soft-close storage systems where applicable
Warm concealed lighting and refined metal fittings

DESIGNED FOR LIVING. CREATED FOR LIFE.

07 ZENITH

QUARTZ & METAL

Quartz top; slim metal frame; open shelf; sculptural vessel basin; matte metal details.

MATERIALS & BUILD

Premium engineered surfaces / quartz finishes
Soft-close storage systems where applicable
Warm concealed lighting and refined metal fittings

DESIGNED FOR LIVING. CREATED FOR LIFE.

08 VELA

TALL STORAGE

Quartz vanity with integrated basin; wood-color fronts; tall side storage; soft-close hardware.

MATERIALS & BUILD

Premium engineered surfaces / quartz finishes
Soft-close storage systems where applicable
Warm concealed lighting and refined metal fittings

DESIGNED FOR LIVING. CREATED FOR LIFE.

09 ONYX

STATEMENT DESIGN

Bookmatched dark stone-look quartz; integrated basin; monolithic statement geometry.

MATERIALS & BUILD

Premium engineered surfaces / quartz finishes
Soft-close storage systems where applicable
Warm concealed lighting and refined metal fittings

10 ARCADIA

FREESTANDING

Sculptural freestanding quartz basin; floor-mounted composition; minimalist fittings.

MATERIALS & BUILD

Premium engineered surfaces / quartz finishes
Soft-close storage systems where applicable
Warm concealed lighting and refined metal fittings

11 HORIZON

FLOATING VANITY

Quartz top; fluted wood-color front; integrated basin; floating construction; warm LED.

MATERIALS & BUILD

Premium engineered surfaces / quartz finishes
Soft-close storage systems where applicable
Warm concealed lighting and refined metal fittings

12 SIENA

QUARTZ & OPEN UNITS

Stone-look quartz top; open display/storage units; vessel basin; concealed lighting.

MATERIALS & BUILD

Premium engineered surfaces / quartz finishes
Soft-close storage systems where applicable
Warm concealed lighting and refined metal fittings

13 OBSIDIAN

FULL QUARTZ

Dark quartz body and top; integrated basin; seamless luxury composition.

MATERIALS & BUILD

Premium engineered surfaces / quartz finishes
Soft-close storage systems where applicable
Warm concealed lighting and refined metal fittings

14 IVY

QUARTZ & FLUTED WOOD

Quartz top; fluted wood-color cabinetry; vessel basin; rounded detailing.

MATERIALS & BUILD

Premium engineered surfaces / quartz finishes
Soft-close storage systems where applicable
Warm concealed lighting and refined metal fittings

DESIGNED FOR LIVING. CREATED FOR LIFE.

15 MIRAGE

DOUBLE BASIN

Marble-look quartz; integrated double basin; wide floating storage; soft-close drawers.

MATERIALS & BUILD

Premium engineered surfaces / quartz finishes
Soft-close storage systems where applicable
Warm concealed lighting and refined metal fittings

DESIGNED FOR LIVING. CREATED FOR LIFE.

16 SOLACE

QUARTZ & DRAWERS

Stone-look quartz top; wide drawer storage; external basin; warm natural wood-color finish.

MATERIALS & BUILD

Premium engineered surfaces / quartz finishes
Soft-close storage systems where applicable
Warm concealed lighting and refined metal fittings

17 ELARA

WALL-TO-WALL

Full-width quartz composition; integrated basin; minimal wall-to-wall geometry.

MATERIALS & BUILD

Premium engineered surfaces / quartz finishes
Soft-close storage systems where applicable
Warm concealed lighting and refined metal fittings

18 CIELO

QUARTZ & GLASS

Stone top; glass-front storage; vessel basin; metal frame details and open display.

MATERIALS & BUILD

Premium engineered surfaces / quartz finishes
Soft-close storage systems where applicable
Warm concealed lighting and refined metal fittings

19 TERRA

NATURAL STONE LOOK

Natural-stone-look quartz; integrated basin; clean rectangular form; concealed drawers.

MATERIALS & BUILD

Premium engineered surfaces / quartz finishes
Soft-close storage systems where applicable
Warm concealed lighting and refined metal fittings

20 NOIR

LUXURY STATEMENT

Black quartz top; rich wood-color cabinetry; integrated basin; dramatic luxury finish.

MATERIALS & BUILD

Premium engineered surfaces / quartz finishes
Soft-close storage systems where applicable
Warm concealed lighting and refined metal fittings
